CAN SOLEIL

Designed by world renowned interior designer Pamela Hughes of Hughes Design Associates, this spectacular estate is one of the largest private residences situated on the Gulf Coast.

This magnificent loggia offers 5,000 square feet of outdoor living space just steps from the Gulf of Mexico.

This incredible living space is appointed for easy entertaining and outdoor enjoyment, with all of the amenities, conveniences and luxuries of an indoor space.

Creating an indoor/outdoor environment that takes maximum advantage of Sarasota's year round sunshine and glorious air, this spacious loggia has two levels, an outdoor kitchen and easy access to beach and pool.

Chairs are teak by Michael Taylor Designs, Custom dining table also by Michael Taylor Designs, Teak lounge chairs and loveseat by Gloster with fabric by Scalandre and Custom designed cocktail and end tables with granite tops.

Inspired by the elegant and dramatic natural forms of his Southwest surroundings, Christopher Thomson turns iron into art. Forging in both white hot iron and bronze, Christopher is able to accomplish something magical- capturing emotion in metal! Both functional and decorative, his signature furniture, lighting and accessory designs will add an artful dynamic to your beautiful home. Let this master craftsmen create a masterpiece just for you. Browse his utterly distinctive award-winning creations at www.christopherthomsonironworks.com. You will be as inspired by what you find there as the artist is of his muse-nature itself.
